RACE CONDITIONS:

1. These provisions are for Futurity and Derby and Nomination Payment Races owned and/or administered by Oklahoma Quarter Horse Racing Association running at Blue Ribbon Downs.
2. An owner may nominate as many horses as desired. If one or more nominations are withdrawn prior to the actual running of the race, it is the owner(s) responsibility to specify which nomination(s) are withdrawn when making payments. Nominations or subscriptions to any Stake or Feature Race may be refused or canceled, without liability at any time prior to the actual running thereof, except for the return of any nomination, sustaining and entry fees paid. All payments must be postmarked no later than the dates due and should be sent by certified mail. THE SENDER'S RECEIPT MUST BE PRESENTED AS PROOF OF PAYMENT SHOULD ANY DECREPANCY OCCUR. All checks returned by the bank will constitute no payment. All payments for Futurity or Derby races shall be remitted to and collected by the race sponsor.
3. In all Trials or Final(s) for these races, all entry fees must be on deposit at time of entry. BEING PAID UP FOR SUCH RACE DOES NOT GUARANTEE ENTRY. Refer to condition book and Racing Secretary for entry time and dates on all races.
4. TIME OF ENTRY PAYMENTS (if any) MUST BE ON DEPOSIT WITH HORSEMEN'S BOOKKEEPER OR MADE NO LATER THAN TIME OF ENTRY IN ORDER FOR ELIGIBLE HORSES TO BE INCLUDED IN THE DRAW FOR POST POSITIONS.
5. Prior to racing, an owner is required to have on deposit with the Horsemen's Bookkeeper the amount required to cover all costs of starting a horse, including minimum jock mount for trial races if required by the Racetrack conducting the races.
6. TIME TRIALS: the procedure to select FASTEST QUALIFIERS will be on a time basis in the finest time increments available unless otherwise specified in the condition book at the racetrack conducting the races. Each trial shall consist of not more than 10(horses) and shall be conducted under the same conditions as set out on the nomination blank for the races. Times of horses in separate Trials will be determined by electric timer. In the event horses in the same trial are given identical times, the selection of horses advancing to finals will be determined by order of finish posted by the racing officials. No adjustments will be made in a recorded time for weather or track conditions. Should a mechanical failure occur with the electric timer for any trial, the winner and/or the time assigned to each trial participant shall be determined by the stewards using either current AQHA Time Trial Rules or as determined from a frame by frame analysis of the races. Times will be assigned to horses in the race based on their relative position on the photo strip. If no photo strip is obtained, it can have no bearing as to not constituting a race. If there are more trial heats than can be conducted in one program, they will be divided by a draw and may be run on two separate days. The fastest times of each day will be used to select the finalist taking the five fastest times from each day for the Finals. This will not be done unless absolutely necessary. In the event twelve (12) horses or less are eligible to run in the trials of a Stake or Feature Races, only a Final may be run. The Final may be run either on the regularly scheduled Trial day or Final day at the discretion of the management and /or the race sponsor if applicable. There will be no also-eligible list for trials or finals. If one or more horses scratch from the Finals, the owner (s) of scratched horses will receive last place purse money, and the remaining purse money shall be distributed proportionately to the horses running in the Finals.
7. If the front gates on the starting gate fail to open due to mechanical failure, or if a horse is left behind the gate when the field is dispatched during the running of the Trials, such horse may be declared a non-starter and the stewards may determine that owner is entitled to a refund of all nominating, sustaining and entry fees but not including administrative and advertising fees deducted from gross purse with a subsequent revision in the final purse distribution to reflect the refunded amount. During the running of a Finals such horse may be declared a non-starter and shall be classified as a scratched horse and shall be paid last place purse money in the race.
8. Racetrack management (with approval of race sponsor if applicable) or the races sponsor, and the OHRC may change the running date of Trials and Finals. All races described herein may be cancelled, rescheduled, or relocated at any time prior to the actual running thereof, without liability, except for the return of nomination and sustaining fees paid if cancelled.
9. Eligibility for a stakes race does not guarantee a stall assignment for the entire meet. No entry will be received and no stabling will be permitted except upon the conditions that all disputes, claims, and objections arising out of racing or with respect to interpretations of any rules, conditions of races, or otherwise shall be decided by the Oklahoma Horse Racing Commission, the Stewards, the Racetrack Management, or the race sponsor if applicable as the case may be, and such decision upon all points shall be final. All horses, either by the time or performances, which do not meet OHRC or Racetrack Eligibility Rules, will be ineligible for entry.
10. Race sponsor is Oklahoma Quarter Horse Racing Association. All disputes as to eligibility to participate in the race will be determined in the sole discretion of OQHRA and the decision of OQHRA will be absolute, final and binding.
